

## DARING FIREMAN MAKES FLYING SWITCH

**F. C. Sutton Returns  
With Bride From  
San Rafael**

**HAPPY COUPLE SERENADED BY  
MANY FRIENDS AT HEAD  
HOTEL.**

(From Saturday's Daily.)  
Quite an agreeable surprise was occasioned yesterday among the many friends in the city of F. C. Sutton, when he alighted from the train, accompanied by a bride. The event took place at San Rafael, Cal., a few days ago, and an interesting feature of this nuptial occasion was that his most intimate friends were unaware of the purposes of his mission until he returned to this city.

His bride is a charming young woman, and a social favorite in her home city. Mr. Sutton for some time has been the fireman on the yard engine of the S. F. & P. in Prescott. He is very popular and with his bride has received many congratulations. They were extended a pretty serenade last night at their rooms in the Head House, the parlors being thronged with many who came to wish them a happy and prosperous future.

## FROST DAMAGES VERDE FRUIT CROP

(From Thursday's Daily.)

According to a statement made yesterday by Deputy Assessor E. W. Stephens, frost during the early part of this month performed some of its characteristic freaks in the Verde Valley, destroying crops in one section and in close proximity permitting others to escape. As a result one-half of the fruit is killed and the yield this year will be far below that of last. Some of the unusual conditions witnessed were as follows:

At the farm of Charles Coulson, every bud in his orchard was nipped and the loss will be complete. His neighbor, Ed. Cook, less than half a mile away, was more fortunate, and every tree will bear its quota.

In the Upper Verde, at the orchard of William Jordan, the frost passed over, but when the large interests of the Verde Fruit company were reached, the destruction was disastrous, and but a very small yield will be had.

The big Haskell orchard also escaped, and this year will have its largest output.

On the Lower Verde about one-half of the fruit is saved, while along Beaver Creek, Oak Creek and other outlying sections, heavy damage resulted. One loss to be regretted is that of Henry Scherman, on Upper Oak Creek, who will have practically nothing to place on the market.

Another heavy loser is Henry Ames, in the same section. Clear Creek appeared to be out of the zone, and but a very slight loss will be recorded. Since the destruction of their orchards, the owners will endeavor to recoup losses sustained by devoting their time to agriculture.

Mr. Stephens states that he found prosperous conditions everywhere in that section. More land is under cultivation than in previous years, and the flow of water into the many canals is maintained at its customary measurement. All residents are thrifty and the big granary of the county never appeared to such good advantage as this year.

Another favorable indication of the country was shown in no beef cattle being for sale on the adjoining ranges, the supply being culled to its limit, with a heavy demand for more animals.

The new territorial bridge is being used and its splendid construction is the pride of the community.

## IN MEMORY OF GRANT

GALENA, Ill., April 27.—In accordance with a custom established many years ago this city today paid tribute to the memory of its illustrious son, Gen. U. S. Grant, on the occasion of the eighty-ninth anniversary of his birth. Large delegations of visitors from surrounding towns attended the exercises in Grant Park where stands the fine monument to the warrior, presented by H. H. Kohlsaat of Chicago twenty years ago. The oration of the day was delivered by Bishop J. H. Vincent of New York.

## APPLE BLOSSOMS FOR WEDDING WREATHS

**Threaten to Supplant  
Orange Flowers With  
May Brides**

**ARE AVAILABLE ONLY THIRTY  
DAYS IN TWO SPRING  
MONTHS.**

SPOKANE, Wash., April 27.—Fragrant apple blossoms will supplant the time honored orange flowers as wreaths for May brides, if the plan worked out by Samuel Glasgow, secretary and manager of the Centennial Mill company of Spokane, meets with as much favor in the apple districts of the United States as it has in this city. He contends that, as the apple blossom is the national flower and marriage is woman's most important step in life, the two should go together.

"I have discussed the question with the Spokane Chamber of Commerce and the Spokane Horticultural Association," said Mr. Glasgow, "and through them we are in hopes of interesting every community in the Western country and the apple districts east of the Rocky Mountains in the movement. The commissioners of the city and county of Spokane are enthusiastic over the plan. Rev. Dr. Will A. Betts, pastor of the First Methodist Episcopal church, says he will perform the ceremony, free of charge, for the first bride decked with apple blossoms appearing at either his parsonage or church."

"I have also interested the owners of commercial apple orchards in the Spokane valley and other parts of this country in the movement and expect to announce a substantial prize in a short time for a photograph of the best house or church wedding decorations fashioned with apple blossoms. Personally, I will present a purse of gold to the bride winning the first prize. This competition is free and open to every woman in the United States and Canada."

"There is likely to be some opposition from the orange growers, who may feel that they have a monopoly on the wedding wreath flower, but I do not believe it will be very serious, as the life of the apple blossom season is not more than thirty days in the spring, after which orange blossoms may be worn by bride and bridegroom."

## GRANT BROTHERS DEMAND NEW TRIAL

PHOENIX, Ariz., April 26.—The case of the United States against Grant Bros. will again come before the Supreme Court of the Territory on May 3, when a motion for a new trial which has been made by attorney for Grant Bros. will be argued. United States Attorney J. E. Morrison, who is at Tucson attending Federal Court, will go to Phoenix.

The government instituted proceedings against Grant Bros., a Los Angeles contracting firm, for violation of federal laws relating to the importation of alien labor, and the court of the first instance awarded the government damages in the sum of \$45,000. The case was appealed to the Supreme Court of the Territory and the lower court's award was affirmed. The defendant then made a motion for a new trial, which will be argued May 3. In case the motion is denied it is likely that an appeal will be taken to the United States Supreme Court.

## METHODIST BISHOPS.

WINONA, Minn., April 27.—The intellect and the power of the Methodist Episcopal church are concentrated in Winona today. For the past twenty-four hours every train has brought its quota of the fathers of the church to this city to attend the annual meeting of the college of bishops. The regular business of the conference was taken up in earnest this morning and will continue with daily sessions until next Monday. Bishop Henry W. Warren of Denver, the senior bishop of the church, is presiding over the business sessions, which will be interspersed during the four days with impressive religious services and several functions of a social nature.

## RAILROADS USING DIFFERENTIAL AXLES

LOS ANGELES, Cal., April 28.—The Santa Fe railroad has been trying out the Western Engineering company's differential axle, and reports that a car equipped with them has been run 130,760 miles on its San Bernardino Valley Traction line with perfectly satisfactory results. During all the time no attention was paid to the axles, as they are self-lubricating. One of the electric lines in Hawaii is fully equipped with the axle, and the cars of the Angels' Flight in this city have recently been fitted with the invention.

The purpose of this axle is to lessen the flange friction with the accompanying wear and tear on tracks and wheels, and the increased traction power required in consequence, an object sought by railroad men and inventors for years. Solid axles are now used, the two wheels so attached that they both turn with it at equal speed, or one must slide while the other turns on a curve. That is why they grind and shriek so loudly rounding the curves of the city streets.

The differential axle is really two axles, one for each wheel; the ends of these are set into a strong box coupler, so that one turns independently of the other. By this means there is no curve friction and grinding and the efficiency of the motive power is largely increased.

## PICK AND DRILL HAS SPLENDID SHOWING

(From Thursday's Daily.)

Reports in circulation during the past few days of a strike of rich gold ore being made on the properties of the Pick and Drill Mining company, near Humboldt, were confirmed yesterday by E. W. Stephens, deputy assessor, who was at the camp and personally investigated the zone where the best showing ever made in the development is in evidence. Mr. Stephens states that he went down the main working shaft to the 600 foot level, after a round of shots had been fired. Before the muck was cleared away he picked from a two foot vein a sample of the ore exposed. Returning to the surface he made a horn spoon test and was surprised to see the amount of gold in the pan. He also examined other points underground with similar showings.

The plant had completed a five days' test run on ores, and it was estimated that from \$500 to \$700 was on the plates. The mill is of six stamps, equipped with a new principle on concentrating, which gives good results. The camp is reported as one of the most thrifty in that country, and a force of twenty miners is employed. The property is being practically operated, and there is every indication of it proving a success.

## GEORGE C. REESE CLAIMED BY REAPER

(From Thursday's Daily.)

George C. Reese, who arrived in this section about five months ago, from Sumas, Wash., in the advanced stages of tuberculosis, passed away yesterday at the Mercy hospital. Climatic benefits were unavailing, and all that was possible to alleviate his suffering was extended by a devoted wife and others. His father will arrive in a few days from the above city and accompany the remains home, where interment will take place. The bereaved relatives have the sympathy of many acquaintances. The body will be prepared for shipment by Lester Ruffner.

## BEN YEAGER IS REPORTED OUT OF DANGER

(From Saturday's Daily.)

According to a telegram received yesterday from Mrs. Ben. H. Yeager at Phoenix, it is probable that her husband will recover from the serious injuries he received about a month ago at Morristown, when the horse he was riding fell and crushed him. Mrs. Yeager states that an operation had been performed for an abscess in his side, which resulted from the accident, and from which he was experiencing the most intense suffering. The attending physicians stated that the operation would not only relieve Mr. Yeager of the agony he had been undergoing for several weeks, but that in all probability his life would be saved.

Mr. Yeager has been passing through a critical condition for several days, and until the operation it was not believed he would survive. The receipt of this encouraging news is welcomed by his many friends in this city and elsewhere.

## SULTANA SURVIVORS.

WESTON, Ohio, April 27.—A handful of Civil War veterans who were among the survivors of the Sultana disaster, gathered here today in annual reunion. It was forty-six years ago today that the steamer Sultana, bound from New Orleans for St. Louis, loaded with Union soldiers returning home after being paroled from Confederate prisons, was destroyed soon after leaving Memphis by the explosion of her boilers. Of the 2,200 persons on board only about 300 were saved.

## HER FRIEND'S GOOD ADVICE

**The Results Made This Newburg Lady Glad She Followed Suggestion.**

Newburg, Ala.—"For more than a year," writes Myrtle Cothurn, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief."

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old. Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardui has helped a million women back to health and strength. Have you tried it? If not, please do. It may be just what you need.

## Proceedings of the Board Of Supervisors of Yavapai County

OFFICE OF BOARD OF SUPERVISORS, YAVAPAI COUNTY, ARIZONA.

Prescott, Arizona, April 13th, 1911.

Board of Supervisors of Yavapai County, Arizona, met pursuant to adjournment, Thursday, April 13th, 1911, at nine o'clock a. m.

Present—Geo. P. Harrington, Chairman; Barney Smith, Member; J. W. Stewart, Member; C. A. Peter, Jr., Clerk; H. D. Ross, District Attorney.

BE IT REMEMBERED, That at a regular adjourned meeting of the Board of Supervisors of Yavapai County, Arizona, especially called to canvass the local option returns from Camp Verde Justice Precinct, on this 13th day of April, 1911, with the entire Board, the Clerk and the District Attorney present, the said Board proceeded to and did open the ballots and count the votes cast at the election held on the first day of April, 1911, in Camp Verde Justice Precinct, in said Yavapai County, the boundaries of which said Justice Precinct are hereinafter set forth, for the purpose of determining whether the sale of intoxicating liquors should be prohibited in said Justice Precinct, which said votes were duly returned by the election officers of said Justice Precinct, lawfully appointed to conduct said election, to this Board, within the time and in the manner prescribed by law, and

WHEREAS, It appears from the count of said votes this day made, as aforesaid, and this Board hereby declares, that there were 101 votes cast at said election, and that 74 of said votes were "For Prohibition," and that 27 of said votes were "Against Prohibition," and it is therefore determined that a majority of the votes so cast are "For Prohibition," and that the sale of intoxicating liquors in said Camp Verde Justice Precinct shall be prohibited. NOW, THEREFORE, By reason of the premises and pursuant to the statutes in such cases made and provided, it is hereby

ORDERED, By the Board of Supervisors of Yavapai County, that the sale, exchange and giving away of intoxicating liquors within the prescribed limits of said Camp Verde Justice Precinct, as hereinafter set forth, be and it is hereby absolutely prohibited, except in this, however: That this order shall not be construed so as to prohibit the sale of wine for sacramental purposes, nor the sale of alcohol stimulants as medicine, in cases of actual sickness, but such stimulants shall only be sold upon the written prescription of a regular practicing physician, dated and signed by him, and certified on his honor that he, the physician, has personally examined the applicant, naming him, and that he finds him actually sick and in need of the stimulant prescribed as medicine. Provided, that a physician who does not follow the profession of medicine as his principal and usual calling, shall not be authorized to give the prescription provided for in this section; and Provided, further, that no person shall be permitted to sell more than once on the same prescription, nor shall any person be permitted to sell at all on the prescription of a physician not herein authorized to give it, nor on a prescription which is not dated, signed and certified as above required: Provided, that every person selling such stimulant upon the prescription herein provided for, shall cancel such prescription by endorsing thereon the word "Cancelled," and file the same away.

That the boundaries of said Camp Verde Justice Precinct (consisting of Townships 13 and 14 North, Range 4 East, and Townships 13 and 14 North, Range 5 East, Yavapai County, Arizona,) as heretofore established by this Board, and the prescribed limits within which this order is and shall be effective, are as follows, to-wit:

Commencing at the Northeast corner of Township 14 North, Range 5 East, Gila and Salt River Base and Meridian; thence southerly along the eastern boundary of Township 14 and 13 North, Range 5 East, to the Southeast corner of the said Township 13; thence westerly along the southern boundary of Township 13 North, Range 4 and 5 East, to the Southwest corner of Township 13 North, Range 4 East; thence northerly along the western boundary of Township 13 and 14 North, Range 4 East, to the Northwest corner of said Township 14 North; thence easterly along the northern boundary of Township 14 North, Range 4 and 5 East, to the place of beginning, all in Yavapai County, Arizona.

That this order shall be and remain in force for two years from the date of said election and until such time as the qualified voters in said Precinct may, at a legal election held for the purpose, by a majority vote, decide otherwise. And it is further

ORDERED, That this order, declaring the result of said election and prohibiting the sale of said liquors, be published for four successive weeks in the Arizona Journal-Miner, a newspaper published in Yavapai County, which said newspaper is hereby selected by this Board for that purpose.

Any person who, after the publication of this order, shall, within the bounds of prohibition herein prescribed, sell, exchange or give away, with the purpose of evading the provisions of the statutes in such cases made and provided, any intoxicating liquors whatsoever, or who shall in any way violate any of the provisions of Title XLIII of the Revised Statutes, 1901, shall be guilty of a misdemeanor and upon conviction thereof shall be fined in a sum not exceeding three hundred dollars, or be imprisoned in the county jail not exceeding three months, or by both such fine and imprisonment.

All of which is done and ordered by said Board of Supervisors this 13th day of April, A. D. 1911.

Attest:
